**BUILDING AN EXCLUSIVE, INFLUENTIAL COMMUNITY OF LEADERS
FOR GROWING THEIR ENTERPRISES, THEIR COUNTRIES, AND THEIR
CONTINENTS**

Now at the fourth edition, the South Africa - Italy Summit is the annual reference event of the bilateral and regional business community.

With the goal of creating a community of leaders capable of increasing and shaping bilateral relations, The European House – Ambrosetti is pleased to invite you at the Fourth edition of the South Africa – Italy Summit that will take place in **Johannesburg** (Hyatt Regency Johannesburg) on **Tuesday, October 24** and **Wednesday, October 25, 2017**.

South Africa is a strategic platform for investment, both for export onto global markets and for the expansion in SADC Countries' markets. The Country has a dynamic economy with the ambition to become a world leading versatile, dynamic, and innovative production hub. Despite such great potential, bilateral engagement between Italy and South Africa is still limited. The two Countries have many synergies to upgrade the technological content of their industrial system, to increase business know how, and to grow together on global markets.

The Summit is solely reserved to African and European Chairmen and CEOs of primary enterprises, Ministries and Institution Leaders. Participation is by invitation only.

A GALA DINNER will create an excellent networking opportunity.

We will talk about: Geopolitical scenario, Agribusiness and food processing, Automotive and railways components, Made in Italy meets made in Africa, Energy and power generation, Pharmaceutical and e-Health, Regional corridors and infrastructure.
